WARNING: Proper selection of the products listed for sale in this catalog is essential to minimize the risk of any seal, bearing or other product failure. Such failures can result in property damage or severe personal injury to operators of machinery, vehicles or to others. You must carefully evaluate the particular application on or into which you intend to install the products. Products in this catalog require installation by an experienced professional mechanic or qualified maintenance professional.

The product properties and operating parameters described in this catalogue are based upon tests conducted by SKF or reported by others. SKF does not assume any responsibility for errors in the data published in this catalog. The life and performance of the products ultimately depend on a number of factors. These include, for example, selection of product design type, selection of materials for their different properties, handling and installation, operating conditions, including shaft surface or bore conditions, the quantity, quality and chemistry of lubricants and other factors. Severe environments can adversely effect product life or performance. For help in realizing longer SKF product life, and optimal performance for your specific application, contact SKF's Customer Services Department at 1-800-882-0008. You can also submit to our attention the Engineering Work Request form found at the end of this catalogue or visit our web site at <http://www.vsm.skf.com>.

LIMITED WARRANTY

SKF as the seller of the products contained in this catalog warrants to the first user/purchaser that the products sold by it, when properly installed, will be free from defects in material and workmanship. SKF's sole obligation and liability for any defect found to exist in a product sold by SKF contrary to this warranty, and purchaser's sole and exclusive remedy for such defect, shall be limited to: (A) SKF furnishing without additional charge to purchaser, including transportation, a replacement for any of the products sold by SKF which are found by SKF to be defective contrary to this limited warranty, and (B) in the case of products which cannot be repaired or replaced by SKF, SKF shall credit or refund purchaser the purchase price paid therefore; provided, that SKF is advised in writing of such product non-conformance within thirty (30) days of the date of discovery thereof, and that the non-conforming product is returned f.o.b. to SKF's designated warehouse promptly thereafter, but in any case not later than twelve (12) months from the date of original shipment of the product to purchaser by SKF. In no event shall SKF be obligated under this warranty or otherwise in any way whatsoever for normal wear and tear, or for any products sold by SKF which, after delivery by SKF and in SKF's sole determination, have been subjected to accident, abuse, misapplication, improper or faulty repair or installation, improper or faulty maintenance or lubrication, any alteration or neglect, excessive loading or other excessive operating conditions, or for defects caused by or resulting from purchaser's specifications or designs or otherwise caused by purchaser. **TO THE FURTHEST EXTENT PERMITTED UNDER APPLICABLE LAW, SKF DISCLAIMS LIABILITY, IN TORT OR CONTRACT, IN NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, FOR ANY OTHER REMEDY OR DAMAGE, WHETHER DIRECT OR INDIRECT, INCIDENTAL OR CONSEQUENTIAL WITH RESPECT TO ITS PERFORMANCE HEREUNDER, INCLUDING WITHOUT LIMITATION WITH RESPECT TO THE PRODUCTS SOLD OR PROVIDED HEREUNDER BY SKF, AND ITS PROVISION OF ANY RELATED SERVICES. THIS EXPRESS WARRANTY IS TO THE EXCLUSION OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. COSTS INCURRED FOR ROUTINE MAINTENANCE ARE NOT COVERED BY THIS WARRANTY.** Without limiting the generality of the foregoing disclaimer, SKF specifically disclaims liability to purchaser for any loss, cost, or damage incurred as a result of equipment downtime, or loss of use or availability of worksite, lost revenues or lost profits, or losses or liability arising, regardless of whether SKF is on notice of the possibility of such damage or loss and did or could have anticipated same. No other person has been authorized by SKF to undertake or make on behalf of SKF any further representation, warranty or guarantee in addition to or contrary to SKF's warranty made herein or contrary to the limitations and disclaimers provided herein. The exclusive remedies provided in this limited warranty shall not be deemed to have failed of their essential purpose so long as SKF is willing and able to perform to the extent and in the manner prescribed in this warranty.

INFORMATION: Inquiries can be directed to: SKF Customer Services Department, 890 North State Street, Elgin, IL 60123 USA, or call 1-800-882-0008.

LIMITATION ON RETURNS: Any product that is not in conformance with purchaser's description given in its order is returnable for credit or replacement by SKF, provided that SKF is advised in writing by purchaser of such non-conformance within 30 days after the product's delivery to purchaser by SKF, and only after written authorization therefore is given by SKF. Approved returns must be shipped freight prepaid and arrive in good, saleable condition to qualify for credit or replacement.

NOTICE: The SKF part numbering systems for the SKF products are proprietary to SKF. Any improper or unauthorized use of these numbering systems, including adoption or use of any of their part numbers or part number lists, even where the subject of modification or addition, is strictly prohibited and will be prosecuted by SKF as a violation of U.S. and foreign copyright, trademark and unfair competition laws. In addition, use of any SKF trademarks, trade names or packaging schemes, systems, colors or designs is likewise considered a violation of the trademarks, trade names and trade identities rights of SKF USA Inc. and their affiliates. Possible violation of such use should be brought to the attention of SKF: SKF USA Inc., 890 North State Street, Elgin, Illinois 60123 USA, Attn: Catalog Manager.

The Power of Knowledge Engineering

SKF is your source for a wide range of products covering various industries. From automotive to heavy duty to industrial applications, SKF offers a solution to keep your machines operating and your business profitable.
